

KACHCHI MOODOOR ARCHAKAS WELFARE TRUST

(Founded in 1986 on the expressed wish and with the benign grace of
MAHA PERIAVA of Kanchi Kamakoti Peetam)

Annual Report for 2018-2019

(From 01-04-2018 to 31-03-2019)

The Trust continued to focus on its core activity of providing financial assistance in the form of monthly stipend to needy persons who render service and perform the daily rituals in accordance with **Indian tradition and culture in ancient places of worship in rural areas**. These payments were regularly made from the interest earned on investments of the Corpus Fund of the Trust, constituted by donations received from time to time from individuals devoted to the cause espoused by **Maha Periaiva**. Beneficiaries of this assistance were identified by a due process of selection on the merits of applicants and their actual performance of the prescribed acts of worship in accordance with the guidelines laid down by **Maha Periaiva**.

At the commencement of the year, the Trust had 426 beneficiaries based in rural areas in its list, made up of 150 Sivacharyas, 129 Poojaris and 147 Bhattachariars (83 Vaikhanasam and 64 Pancharatram). During the year, 17 more beneficiaries were added and 10 beneficiaries were deleted from the scheme as detailed below. At the end of the year, the Trust had 433 beneficiaries in its list, made up of 155 Sivacharyas, 133 Poojaris and 145 Bhattachariars (82 Vaikhanasam and 63 Pancharatram).

While the Trust was providing financial assistance to the tune of Rs.1,900/- per month to each beneficiary at the beginning of the year, the amount was increased to Rs.2,000/- per month with effect from June 2018.

The Trust has been following a structured selection process for identifying new beneficiaries every year. The process begins with calling for applications through newspapers and also by word-of-mouth communication from existing beneficiaries. Candidates who respond to this call are sent a structured application form to be filled up and returned. These applications are then scrutinized for adherence to the criteria including twice-daily service, rural location, the ancient nature of the place of worship, monthly income of the candidate, etc. Those who meet the minimum criteria are sent small booklets prescribed by **Maha Periaiva**, and given 2-3 months to study them and prepare for an Oral test. The Oral tests are held at different centers (usually Tiruvanaikoil and Mannargudi), and the candidates who appear are reimbursed the travel expenses. Experienced and learned examiners, who have voluntarily offered their services to the Trust, conduct the Oral tests. Physical inspection is then carried out for the selected candidates at their respective locations to ensure that they are truly deserving candidates and that all the criteria are met. Based on the Inspection reports, candidates are added to the list of beneficiaries.

On completion of the selection process to identify new beneficiaries to be added during 2018, the Trust Board approved the addition of 17 beneficiaries from June 2018 (6 Sivacharyas, 6 Poojaris, 5 Bhattachariars (3 Vaikhanasam and 2 Pancharatram)).

In recognition of meritorious performance, four top rankers (one each from Sivacharyas, Poojaris, Vaikhanasam and Pancharatram) were invited to Kanchipuram for the Jayanthi day of **Maha Periaiva** on 29.05.2018. Three of them participated and were honoured with a cash award of Rs.1,500/- each. All travel expenses were also reimbursed. The Trust has been following this practice for the top rankers of each stream provided they score at least 70% in the Oral test and also clear the inspection process.

In addition to the monthly assistance, the Trust covers all beneficiaries under the age of 60 years under LIC Group Insurance Scheme.

Self-Certificate/pledge from the beneficiaries affirming their performance of worshipful services diligently twice daily and keeping away from detracting habits like smoking and drinking is being obtained from all beneficiaries twice every year in a format specified by the Trust.

Apart from inspections in regard to new candidates, 247 inspections were carried out in respect of existing beneficiaries during the year. Appropriate action was taken on the adverse inspection reports. By the end of the year, the objective of ensuring that all beneficiaries had been inspected at least once within the last 3 years was largely achieved.

During the year, the Board approved the deletion of 10 beneficiaries from the list on account of various reasons including adverse inspection reports (3), voluntarily ceasing to perform daily services owing to personal reasons (4), and demise of the beneficiary (3). The Board also approved the reclassification of 1 beneficiary (from Pancharatram to Poojary).

The Trust introduced facility to make Online Donations to the Corpus Fund during the year.

At the commencement of the year, the Corpus Fund stood at Rs. 1156.74 lakh. Donations amounting to Rs. 114.62 lakh were received during the year with Rs. 114.59 lakh of this being towards the Corpus Fund. The Corpus Fund at the end of the year was Rs. 1271.33 lakh. Investments grew from Rs. 1166.00 lakh at beginning of the year to Rs. 1308.50 lakh at the end of the year.

The submissions relating to IT Returns were duly done within the prescribed time limits. The Trust continued its efforts to obtain FCRA Registration.
